THE GUNMEN

THE GUNMEN.

It has often been said that men could be hired in New York to murder a man for tee dollars, and no doubt many have been unterted for less. Coulditions of law and order and intention of law and law a buted to the inefficiency or contivance of the police or to both. These men had been assured of police protection in their complished of the deed, and the probability is that they had had that protection on former occasions. But justice does not always sleep. The murder was such a callors, deliberate and public affair that the public became aroused, and the such a callors, deliberate and public affair that the public became aroused, respectively. The support of the second of the support of the suppor

DOCTORS DIFFER.

We published yesterday some of ments on Dr. Phelan's pamphlet "Genius and Insanity," where he tr

Now we are told by P. J. Porker that the English Tories, the Canadian Tories and the Canadian manufactures are in league to exploit the British flag. Well, we would not put it past them.

The Toronto City Council yesterday efused to allow the following question to be submitted to the electors in Jan refused to allow the following question to be submitted to the electors in Jan uary: "Are you in favor of applying follegislation to assess buildings, business tax and income on a lower basis that land!" Evidently the Toronto aldermost need to be wakened up.

Hon, Mr. White did not show to much advantage in the House yesterday when he attempted to justify reducing the duty on cement just previous to the Sas-katchewan election, and reimposing it after the elections were over. He showed himself to be more politician than stateman.

London, Nov. 27.—A Wellington despatch says that Fremier Massey, in a speech at Auckland, stated that a speech at Auckland, stated that the navy had amounted to a quarter of a million pounds, inclusive of battleship payments. But if these payments were completed to morrow, he said, the contribution would not be decreased. The overseas dominions

MUSIC AND THE DRAMA

The production, "San Toy," which was presented before a large gathering at the Grand Opera House last evening, was matted success, and the members of the Hamilton Operatie Society were well-pleaned with the pattorner, but the pattern of the patte to make the opera a success was accomplished local talent. To say that the work of the local company was a decided ancreas would be putting it mildly, for all those who attended the opera of the friday and Saturday. all these who attended the opera last executing were loud in their parises, the dancing and singing being beyond the expectations of the most opinistic opera lavers. The musical numbers were all well received, especially these usually San Toy (Miss Nan Forenam); and Capt. The dancing of those two was allowed to the same transfer of the supposition of the same transfer of the supposition of the same foreign and the same transfer of the supposition. The dancing of these two was allowed to the same transfer of the supposition. Miss Lillie Toyell, as of the same transfer of the supposition. The same man that the same transfer of the supposition. The same man that the same transfer of the supposition of the same transfer of the supposition. shebby Preston (Fred Murphy). The definition of the control of the

Companies Case Laid Over Till February.

Till February.

(By Times Special Wire.)

Ottawn, Nov. 27.—The famous companies case was hoisted over for another rest this morning by the judges of the Supreme Court. Applications were annead certain questions the Dominion Government is asking the court through the Governor-General-in-Council. The was set down for hearing at the opening of the next term of the court, which will probably he in February.

In the Constant of the Council of the next term of the court, which will probably he in February.

The case in a state of the control of the council of t

DEADLY EXPLOSION

Eight Known Dead In the Waukegan, Ill., Blow-Up.

Waulegan, Ill., Nov. 27.—The number of dead, jnjured and missing, as a result of the explosion in the plant of the Corp Troducts Refining. Company here Monday, was found to be smaller than at first believes the property of the control of the corp. The control of the corp of the corp. The corp of the corp of the corp. The c

The fact that all of the persons in of directly outside of the building at the time the explosion occurred were not killed made the blast appear frealish. The heap of debris, twisted iron and shatered wooden beams was proof those who were not instantly killed hade except as if he police are still working in the ruins in search of more bodies.

Stationers,

THE MAN IN **OVERALLS**

Suppose Mr. Workman was to get iose of the lash, do you think he would be apt to go into the disorderly hous business again when he gets out of jail

Sure, we may have a lot of fine we her before Christmas. The Controllers ought to show good example to the rest of us and go vaccinated.

A market without any restrictions Mr. Hill's ideal. Good enough.

What side of the John street di on do you take?

That leads me to say that I hope to fivemen are not interviewing the ald men regarding increased wages. I not the proper thing to do.
